*Note: Throughout this document the term Koorie is used to refer to both Aboriginal and Torres Strait Islander people.*

Yurran P-9 College embraces the vision of the [Marrung Aboriginal Education Plan](#) and celebrates the culture, knowledge and experiences of First Nations Peoples. We are committed to creating and maintaining a school environment that empowers Koorie students to feel valued, respected and culturally strong.

Our school has a number of measures in place to ensure our community acknowledges and appreciates the strengths of Aboriginal and Torres Strait Islander culture. These measures are outlined below.

#### Family and community perspectives and feedback

We actively seek participation and feedback from Koorie students, families and Community by:

- acknowledging the existing knowledge of Koorie students and their families and seeking their feedback on decisions that affect them, and on how well we are meeting their needs, through initial enrolment meetings, Student Support Groups and during the development of Individual Education plans and via student led conferences
- working with our regional Koorie Engagement Support Officers (KESOs) for advice on how we can create a culturally inclusive learning environment and to build our capacity to provide support for individual Koorie students attending our school
- partnering with the local Bunurong people and community to seek feedback and advice on existing and new actions we can take to support the diverse and unique identities and experiences of Aboriginal students attending our college.
- partnering with VACCA (Victorian Aboriginal Child Care Agency) to seek feedback and advice on existing and new actions we can take to support the diverse and unique identities and experiences of Aboriginal students and children in our community.

#### Training and professional development of staff

To ensure our staff are equipped with the skills and knowledge necessary to create and maintain a positive and inclusive school environment we:

- ensure staff participate in [Community Understanding and Safety Training \(CUST\)](#) training
- provide tailored training and professional development each year to build knowledge for specific staff, based on any emerging or current areas of need
- ensure training and professional development equips teaching staff to deliver Aboriginal and Torres Strait Islander perspectives within the classroom curriculum
- support teachers to work in their Professional Learning Communities (PLCs) to map and develop teaching and learning activities within the Victorian Curriculum priorities to enable staff to build their confidence with Aboriginal and Torres Strait Islander content and to recognise opportunities to draw upon Aboriginal pedagogies and practices within their classrooms
- ensure training and professional development equips staff with an understanding and appreciation of the strengths of Aboriginal and Torres Strait Islander culture and its importance to the wellbeing and safety of Koorie children and students.
- Provide opportunities for Marrung Champions to attend SPPIKE (*Strengthening Professional capability of Principals in Koorie Education*) training.

### **Curriculum and learning**

Yurran P-9 College supports the development of high expectations and individualised learning for Koorie students and creates a learning environment for all students that acknowledges, respects and values Aboriginal and Torres Strait Islander cultures and identities. This includes:

- implementing the Department of Education's [Koorie Education Policy](#)
- ensuring that all Koorie students have individual education plans developed in partnership with students, families, and KESOs.
- using the [Koorie Literacy and Numeracy Program \(KLNP\)](#) guidelines - for eligible First Nation primary students in both Early Years KLNP (EYKLNP) from F-3 and Extended KLNP (E-KLNP) for students in years 4-6, to obtain additional supports and funding to improve literacy/numeracy outcomes in line with goals and targets of individualised IEPs
- we utilise additional staff resources such as the [Koorie teaching resources for leaders and teachers](#)
- incorporating elements of Bunurong Language in the curriculum
- incorporating First Nations people in teaching and learning, for instance artists in residence
- incorporating Koorie education in inquiry planning as specific topics
- being mindful of cultural sensitivity when presenting lessons and activities, for example considering that hearing recordings, seeing images or the names of deceased persons may cause sadness or distress for Koorie students and, in some cases cause offence

### **Assemblies and other school events and activities**

We ensure our school events and activities acknowledge and celebrate Aboriginal and Torres Strait Islander culture by:

- acknowledging the Country and Traditional Owners of the land on which our school is located Bunurong, at the start of every school assembly and meeting

- arranging incursions and excursions focused on Aboriginal and Torres Strait Islander culture and history and
- recognising key events and anniversaries that celebrate Aboriginal and Torres Strait Islander culture (NAIDOC Week and National Reconciliation Week)

### **Built and digital environment**

We ensure our built environment and website demonstrates an appreciation and acknowledgment of Aboriginal and Torres Strait Islander culture through:

- Consulting with local Traditional Owners, represented by the local Bunurong/Boonwurrung people to endorse the design of this new school. We sought feedback and advice on:
  - local Indigenous plantings
  - cultural stories and histories to be included in lessons and yarning circles
  - translations of Indigenous words related to our buildings and school name
  - design elements including artwork that enhance cultural education and understanding
- flying the Aboriginal and Torres Strait Islander flags on school grounds.
- displaying plaques/signs outside our main entrance that Acknowledge Country and Traditional Owners
